

Super Specialty Pediatric Hospital & Post Graduate Teaching Institute

Guidelines for Presentation on IEC/IRC, SSPHPGTI

Slide 1

1. Name of the Project
2. Description of the PI and Co-I
3. Site of Studies

Slide 2

1. Background /Review of Literature: in brief

Slide 3

1. Hypothesis/Research Question: PICOT format

Slide 4

1. Aims and Objectives: **Primary Objective** and Secondary Objectives (If Any)

Slide 5, 6, 7

1. Material and Methods: **Must be in Flow chart**
 - a) Sample size details (Example attached)
 - b) types of study
 - c) Exclusion, inclusion criteria
 - d) Statistical methodology (If any): Test applied

Slide 8

1. Ethical Issues
2. Funding details:
 - a) Details of Approval : Intra/Extra
 - b) Details of Expenditure Heads
 - c) Total expenditure per participants

Slide 9

1. Sample data sheet-Raw data
2. PI Consent Form/waiver of Consent
3. Patients information sheet
4. COI form

Slide 10

1. Expected outcome of the concept research proposal
